Brochures were hand delivered to managers and HR at Wal-Mart and Mercey Hoopit

Brochures and posters were email to Williston Job Service

I will printed

I will email out reminders on October 5th

If extra media is needed, I will see if I can do a morning radio spot with JD on Power 95 on Oct 5th.

**Questions:** There were several questions brought up during the meeting which Leslie called and spoke with Steve Beck about.

**Cancellation Policy:** Steve has agreed to cancel if necessary. His goal is for JSEC to make a profit. (we will need approximately 80 participants to break even)

**Motel Room:** He will pay for his own lodging

**Registration Table:** Pens, name tags.... (Cheryl will see if Stockman Bank can supply pens)

**Lunch:** We will provide Steve with lunch so he can eat at the church and prepare for his next session. (grilled chicken & broccoli preferred)

#### **Other Steve Beck Business:**

**Snacks:** it was decided to have rolls/muffins in the morning and popcorn and sweets in the afternoon. The library will be donating bags of popcorn. Thanks Renee! Jacklyn will order the rolls and get some sweets to go with the popcorn. We will also have coffee, bottled water and some pop we have left over from another JSEC event.

**Introductions:** Leslie has agreed to introduce Steve at each seminar. Thanks Leslie!

**The Roundup:** Sent us an email for a paid ad. It was **voted not** to have a paid ad.

**Set Up:** Colleen, Renee and Cheryl all belong to the Sidney Lutheran Brethren Church, where the event will be held. Colleen will make sure the tables are set up on Sunday. Thanks Colleen! Monday is a government holiday so we will set up everything else early Tuesday morning between 7:15 and 8:00 am.

#### **New Business :**

**Student to Work Scholarship:** Sponsor a scholarship for a school to work student to work at Sidney Job Service? One semester about \$250 and a whole year \$500? Vernetta asked if this be brought to the table. The JSEC committee is very interested in hearing more about the possibility and would consider it as a project. We will revisit it at the next meeting.

**Start Up Grants for Daycare Provider:** Renee reminded us this is something we were looking into before and she would like it revisited. She suggested we contact Kathy Helmuth at Richland County Health Department to see what information she may have. Steve suggested we challenge other groups to match our efforts in order to help more providers. Jacklyn will contact Kathy to see if she could maybe attend a future JSEC meeting to present any information she may have.

**After meeting note:** We were approached by Power 95 Radio station to purchase an ad. I emailed out the information to the JSEC committee. I received 4 replies, all of which were a **vote of no** to paid radio advertisement. Thank you for getting back to me.

#### **Next Meeting: October 15<sup>th</sup> Noon – Sunny's**

( Kathy Helmuth from RCHD will possibly present this month or at the November meeting regarding Daycare)
